## Y5 and Y6 Parents

Y5 and Y6 pupils are fortunate enough to take part in the Level 2 Bikeability Training. This training is delivered by an outside agency, who make sure that pupils are able to ride safely and with confidence. By the end of the two day training, pupils will be fully equipped with the necessary skills to ride on roads appropriately.

The training will take place over two days, on Thursday 1<sup>st</sup> and Friday 2<sup>nd</sup> December. Pupils will need to bring their bikes into school and take them home at the end of each day. As the weather cannot be guaranteed, we ask that named waterproof clothing as well as gloves are provided if necessary. As always, helmets **MUST** be worn at all times whilst bike riding.

**All pupils who take part in the two day course MUST already be able to ride a bike.**

We also have a few bikes which could be used as loan bikes. If this is the case, you need to make this clear on the consent form below so that we can ensure the right amount of bikes are brought to school for the training.

If your child would like to take part in the course, please complete the A4 coloured consent form and return to school by **Friday 18<sup>th</sup> November**.

Yours faithfully,

Mrs L Wilshaw
